

Dear Gan Izzy Families,

I am so excited to create the magical world of “The Wizard of Oz: Kids” with your children this summer! Together, we’ll sing our way down the Yellow Brick Road and discover the timeless lesson that “There’s no place like home.”

Hello new and old friends, I’m Jodi Stevens Bryce, your camp Theatre Director and founder of SBEstudio. I am thrilled to be back for another wonderful season with you at Camp Gan Israel. Your children will have the opportunity to shine like stars as they sing, act, and perform in a fun and supportive environment.

In addition to having an amazing time, campers will build valuable life skills that theater naturally fosters, including:

- Confidence
- Creativity
- Teamwork
- Communication
- Self-expression

I am so happy to be spending Summer 2026 with your children, and I can’t wait to help them create something truly magical.

Let’s make this the best summer ever!

Warmly,
Jodi Stevens-Bryce
